Protective® Classic Choice term

Consider this solution for clients who want streamlined, inexpensive protection for a specific period of time with an easy-to-understand policy. Coverage is available for 10-, 15-, 20-, 25- and 30-year periods.

The death benefit is guaranteed for the term period clients select and the premium will remain the same throughout their selected term period. If clients decide to keep their policy after the initial term period ends, the policy premiums will increase annually but the death benefit amount will remain guaranteed.

In addition, there is an administrative charge at the time a claim is made.
