Protective Income Creator fixed annuity is a fixed, single premium deferred annuity contract with a limited market value adjustment issued by PLICO in all states except New York under contract form series LDA-P-2013. The lifetime income benefit is provided under rider LDA-P-6054 and state variations thereof. Policy form numbers, product availability and product features may vary by state.

Variable annuities are long-term investments intended for retirement planning and involve market risk and the possible loss of principal. Investments in variable annuities are subject to fees and charges from the insurance company and the investment managers.

Protective Dimensions V is a flexible premium deferred variable and fixed annuity contracts issued by PLICO in all states except New York under policy form numbers VDA-P-2006. SecurePay Income benefits is issued under rider form number VDA-P-6068. SecurePay NH is provided under form number IPV-2159. Policy form numbers, product availability and features may vary by state.

Withdrawals reduce the annuity's remaining death benefit, contract value, cash surrender value and future earnings. Withdrawals may be subject to income tax and, if taken prior to age 59½, an additional 10% IRS tax penalty may apply. More frequent withdrawals may reduce earnings more than annual withdrawals. During the withdrawal charge period, withdrawals in excess of the penalty-free amount may be subject to a withdrawal charge.
