*The Maximum Withdrawal Percentage is based on the age of the younger joint covered person.

Although SecurePay Income benefit withdrawals can begin at age 59½, Edward Jones does not recommend starting them at least until the younger covered person turns 60 to help maximize the amount of benefit withdrawals available.

Talk to your financial professional about how a guaranteed lifetime income solution can support your retirement goals.

¹ Guaranteed lifetime annual withdrawal percentage for a single life at age 65.

² SecurePay NH is not a comprehensive solution to long-term care planning. However, it can offer additional flexibility at a time when additional funds may be needed to help pay for care. To be eligible, the covered person must be confined to a nursing home for at least 90-days immediately preceding the application for the benefit; and reasonable expectation that he or she will continue to be confined to a nursing home; and be unable to perform at least two of the six Activities of Daily Living or be diagnosed with a severe cognitive impairment. The nursing home benefit period will extend for a maximum of five contract years in which you qualify for the benefit. The qualifying contract years need not be consecutive. Ask your financial professional for more information about SecurePay NH or consult the contract and prospectus. SecurePay NH may not be available in all states and may not be available with new contracts in the future. Please check with your financial professional for exact availability.

³ If your contract value is reduced to zero due to benefit withdrawals, your contract will be annuitized and you will begin receiving monthly income payments in an amount equal to your last Annual Withdrawal Amount, divided by 12.
